Thanks Kathy. We had been in touch with the mayor and in fact are sending him a letter that you are copied on.

Happy thanksgiving to you also.

Best,

Judith

Hi Judith,

Good news! I wanted to be sure that you saw this article. Saint-Gobain, a major business in Hoosick Falls, has agreed to pay to retrofit the water treatment facility to remove PFOA from the Village's drinking water.

Thanks for your interest in this issue.

Happy Thanksgiving to you and your family!

Kathy
